Will you be collaborating with one or more other organization(s) on this project? ____ Yes ____ No

If yes, please list collaborating organization(s) below along with contact information.

Organization name	Contact person	Position	Email	Tel. No.

Proposed project details

Name of project: _____

What problem of practice in putting/keeping middle school, high school, or post-secondary students on the path to adult success do you propose to address? How does it relate to the PAS framework (early warning systems for post-secondary readiness, post-secondary navigation and guidance supports for all, cross-sector collaboration, shared data)? (Maximum 350 words)

Describe your preliminary ideas for solving this problem or describe how your organization is working to solve it. How would your proposed solutions specifically address the needs of underserved or under-resourced students in your community? You may include a theory of action and/or references/links to relevant research if applicable. (Maximum 350 words)

How would the support of PAS learning community members, the Everyone Graduates Center, and a \$5000 stipend help advance this work? (Maximum 250 words)

What outcomes will you measure to evaluate the effectiveness of your proposed solutions, and how will you collect/access this data? (Maximum 250 words)

How could your solutions, if effective, be made available to help other communities or populations around the country? (Maximum 250 words)

Representations

If awarded a PAS 2021-2022 Design Challenge stipend, our organization will keep a log of monthly project activities and insights gained. Yes No

If awarded a PAS 2021-2022 Design Challenge stipend, our organization will participate in occasional interviews and/or site visits with PAS staff seeking to learn more about project implementation and progress. Yes No

If awarded a PAS 2021-2022 Design Challenge stipend, our organization will share its process and insights with the larger PAS community via a presentation at the October 2021 PAS national conference. Yes No

If awarded a PAS 2021-2022 Design Challenge stipend, our organization will allow PAS staff to feature its experience in a PAS case study or snapshot if requested. Yes No

I certify that I am authorized by my organization to make the above representations. Yes No
